Progress during this Quarter – Key Achievements

The focus in Quarter I was on USAP II publicity and students early recruitment. To guarantee the largest coverage LAU has advertised USAP II several times in four leading Arabic newspapers and twice on their front pages. Advertising materials have been developed and distributed to students and schools to increase overall awareness about the program and attract the largest pool of applicants.

Detailed Progress

I - Dissemination

a. Ministry of Education and Higher Education

On October 25, 2011 the Assistant Vice President for Enrollment Management received a verbal approval from the Director of the Ministry of Education to start contacting and visiting public high schools. On December 1, 2011 an official memo was issued by the Ministry of Education requesting from public high schools to facilitate LAU visits and support the USAP program. The 2011 memo was issued with a reference to the 2010 one.

b. Newspaper advertisements (Annex 1)

USAP II is being advertised in four leading Arabic newspapers:

- An Nahar (November 11 *on the front page*, December 19)
- As Safir (November 14, December 6)
- Al Balad (November 21, December 12)

- Ad Diyar (November 24, December 28 *on the front page*)

c. Brochures and applications

In October and November 2011 LAU designed and printed 7000 flyers (Annex 2), 1000 posters (Annex 3) and 4900 Admission and Financial Aid applications (Annex 4). These advertising documents are sent and distributed to public high schools during the recruitment visits.

d. Alumni and friends

In December 2011 an email announcing USAP II and all its relevant information was sent electronically to our Alumni and friends (15949 recipients).

e. Web

<u>www.lau.edu.lb/usap</u> was updated to reflect USAP II new modified recruitment conditions and update application. The address was promoted in our newspaper advertisements, was communicated to all public high schools, was added to USAP publications (brochures and applications), and was sent to our Alumni and friends.

II- Visiting public high schools

During the months of November and December 2011, LAU visited 149 public high schools across the different regions of Lebanon. During these visits LAU admission personnel met 10505 students and distributed 625 posters, 5134 flyers and 3707 admission and financial aid applications. Attached below are some pictures (Annex 5) showing LAU personnel presenting and discussing USAP II with public high school students.

Challenges during this Quarter

No major challenges were faced during quarter one of implementation. The project is running timely and accurately as per the agreed work plan.

Planned Activities for next Quarter

The main activities that will be undertaken during quarter II are:
